8. Signatures

_____	_____
Date	Thesis student
_____	_____
Date	Main supervisor
_____	_____
Date	Head of studies
_____	_____
Date	Head of department

The institute must send the signed contract to: specialekontrakter@science.ku.dk.

Please write "[Programme title] - Thesis contract" in the subject field.

Guidelines for filling in the thesis contract

The thesis contract must be filled in in accordance with the Master's thesis rules of the Faculty:
www.science.ku.dk/english/courses-and-programmes/students/ > Click on your programme > Study Programme > Master's Thesis.

The thesis contract must be filled in by the student and the main supervisor.

It is the student's responsibility to ensure that the thesis contract is filled in before the project is commenced, and to hand in the contract when the head of studies must sign it.

When signing the thesis contract, the student guarantees that the master's programme can be completed with the thesis and potential courses specified in the contract, and that the master's programme can be completed within the maximum period of study.

When signing the thesis contract, the student furthermore guarantees that the university's guidelines on how to avoid plagiarism have been read: www.science.ku.dk/english/courses-and-programmes/students/ > Click on your programme > Examination > Plagiarism and Cheating.
